# Message from the MANAGING DIRECTOR

**D**espite energy crisis, economic recession, adjustments in the order quantity and raw materials prices, downward movement in product prices, our company has continued its sharp growth trend. Our unique setup, state of the art machineries, depth knowledge about markets, highly skilled & experienced manpower and financial strength help us to outperform the competition and continue to grow.

**F**rom yarn sourcing to finished goods packing, we developed a strong monitoring system to maintain a standard desired level of quality. I believe everything like supply chain efficiency, planning, costing and on time delivery gets spoiled if the quality is not up to mark. That's why we have set quality standards for our factory following buyer's requirements and guidance for each departments and processes.

**W**e are strongly committed to safeguard healthy and pollution free environment. In the process, we always maintain a very efficient waste collection and disposal system, in order to prevent air and water pollution. Our company only uses AZO free dyes & chemicals from world renowned sources.

**I** would like to take the opportunity to show my appreciation and sincere gratitude to the employees, financial Institutions, suppliers and to our valued customer for their unforgettable co-operation. In fact, all are the real strength to overcome the different challenges. I am confident, with the help and support of you all we will continue to build on our capabilities for sustainable high performance in future.

Thanking you

**Md. Shamim Khan**  
MANAGING DIRECTOR
